LETTER OF EXPLANATION

Like every interest free loan applicant before you, you are experiencing some type of financial burden. This is stressful for most people. The good thing is that you are taking a serious step toward solving whatever hardship you are facing. The purpose of this letter is to help us understand your situation. As a relationship lender, we care about your personal story when considering your application. Further, the overall benefits of this type of writing are tremendous. You can write on this page or a separate piece of paper. If you are inclined to write extensively, please do so—even if it’s just for yourself! If you need to do this verbally, just let us know.

Please explain how you have been financially impacted by the current Coronavirus/COVID-19 pandemic.
